

IOC UNITS AVAILABLE FROM TODAY!

Following huge success internationally, we can now introduce to Australia & New Zealand, DXN's "Icing On the Cake" or IOC – There are many benefits to taking part in IOC, including:

1. One time purchase! Lifetime entitlement!
2. Start to earn exponential additional income
3. Increase your recruitment rate under the existing Marketing Plan
4. Faster promotion under the Marketing Plan
5. No monthly maintenance fee
6. Dynamic compression applies
7. Accelerate network expansion
8. You will receive TWO types of bonus: Uni-Level Bonus (5 – 15%) until 11th Level and Icing Profit (1.5%) until infinity.

IOC is open to all members.

Any IOC Units purchased within any month, are computed into that month's bonus payment. If you purchase your IOC Unit before 31st May 2014 you will be in the first IOC bonus's to be computed.

Important reminders:

- * Joining is optional.
- * Purchase an IOC Unit for AU\$300, then redeem it for products to the same value.
- * If an existing member chooses not to purchase an IOC Unit to join this extra plan before each IOC bonus computation, the IOC commission from his/her downline who has, will be passed up to the next upline who has joined IOC according to the Dynamic Compression Feature.
- * If an existing member joined this plan after each months IOC bonus computation, s/he will receive commissions only from his downline who joined IOC from that month and thereafter.

Don't miss this opportunity to become an early bird 'Icing' member by purchasing your IOC Unit now to redeem for DXN products of your choice later.
